The anti-ragging committee was constituted under the leadership of the Chairman and Principal, **Dr. A. Mohamed Sadiq**, to discuss about the steps to be taken to prevent the incidences of ragging in the campus. The meeting started with the prayer. As of now, there are no incidences of ragging and the committee members took much care to curb the ragging in the campus.

The following points were suggested by the anti-ragging committee members.

- ❖ The first year students may be given a clear idea about ragging and advised to report the Principal or staff members, if any ragging event takes place in the college premises.
- ❖ The staff members especially teachers handling the first year classes have to maintain close watch on the students.
- ❖ Alert the security and the staff members to have close watch on the visit of non-student/outside in the college campus.
- ❖ It was also decided to display contact numbers of the anti-ragging committee members as well as
