Institutional Distinctiveness

Vision of the Institution is to mould and empower students in the pursuit of knowledge, values and social responsibility and help them achieve excellence in various fields, thereby also preparing them to face global challenges. The Institution has never faltered in Inspiring the students in the pursuit of knowledge, values, and social responsibility. The Institute has established its distinctive approach towards this comprehensive Vision by modelling it in the form of service to the society, by means of certificate courses or by allowing the students to organize events to develop their skills, multidisciplinary project development, Entrepreneurship development, Ethical and Human value development.

(a) Skill Development: The Institution arranges skill enhancement programs to develop their skills for example – Personality enrichment, Employability skill development, Entrepreneurial development, Language skill development etc.,

Add-on courses :

(b) Projects: Students of the UG and PG degree courses take up Internships in industries and pursue their projects, which gives them hands on training in their field of interest.

(c) Ethical and Human value Development: Ethical value is the foremost interest of the institution, Students are motivated to visit orphanages, old age homes, Cancer institute and serve the local adopted school or village through NSS. Students have never been insensitive to the social crisis during the natural devastations. To mention and bring on record, our students have contributed recently to the Kerala floods with basic required materials and financially which can be estimated to around Rs 5,00,000/-, During the Delta Floods, our students reached out to those in distress with relief materials and identified one farmer family in a particular village who were in a dreadful need of livelihood and sustenance. Our students collected funds from public and handed over 1,00,000/-. They were able to be restored to recreate their lives in a renewed mode. The Vision of the Institute focuses on four aspects essentially: Global Standards, Value based

Education, Interdisciplinary Research, and Sustainable Development. The positive outcomes are achieved by designing the curriculum to meet the global requirements and through teaching-learning methods blended with ethical values. The structured induction of the student into the curriculum enables to visualize the career opportunities and the approach towards achieving them. The institute provides a platform to business Start-ups to develop their ideas into commercially viable products, facilitating the students to work on innovative project ideas.
