

INVITATION

Dear Sir/Madam,

The PG and Research Department of Microbiology, Adhiparasakthi College of Arts and Science, G.B. Nagar, Kalavai, is organizing a State Level Symposium on “Probiotics for treating Bacterial infections”, on 8th January ,2026. This symposium will kindle the knowledge of students and researchers in the field of probiotics for bacterial infections. We request you to utilize this opportunity and participate in the conference. Your active participation is highly solicited. Wishing to see you at G.B. Nagar, Kalavai.

About Adhiparasakthi College of Arts and Science

Adhiparasakthi College of Arts and Science, G.B. Nagar, Kalavai, sponsored by ACMEC Trust (Adhiparasakthi Charitable, Medical, Educational and Cultural Trust), Melmaruvathur, is the first self-financing co-educational College to be started in the State in the year 1988. The College is governed by a council of Educationists, Scientists and Philanthropists. It was affiliated to Madras University till the academic year 2000 - 2001 and was later affiliated to Thiruvalluvar University, Vellore, from the year 2001 - 2002 onwards. The College has been accredited by NAAC with B++ grade from 2007 and reaccredited with B++ Grade with a CGPA score of 2.83 in 2014. The college has received permanent affiliation from the Thiruvalluvar University during 2008-2009. The College is conferred with Autonomous status from the year 2011-2012. The College has obtained CPCSEA (Committee for the Purpose of Control and Supervision of Experiments on Animals) approval for Animal Experiments in 2009. The College is located on the Vellore - Puducherry Highway, about 45 kms from Vellore. Inculcation of character and virtues, besides academic training is our hallmark. Duty, Dignity and Discipline are our watch-words.

About the Department of Microbiology

For the first time in South India, B.Sc., Microbiology was started in 1988. The department is upgraded as the post graduate department in the year 1994. The department has produced several rank holders consistently from the inception. Our department has been offered to conduct M.Phil., research programme since 2005 and Ph.D. Microbiology programme from 2008 onwards.

The laboratories are well equipped with basic and sophisticated instruments such as Gel documentation, Photomicroscope, Blotting units, BOD Incubator, ELISA Reader and Washer, High speed refrigerated centrifuges and various types of Electrophoresis unit.
